## TOAD HOUSE COOKIN' UP T2

BREMERTON, WASHINGTON – AUGUST, 2007 – THE TOAD HOUSE is making plans for a second restaurant – in Port Orchard, WA.

THE TOAD HOUSE SMOKIN' PIZZA PUB – that's what owners L. Andee Richards and Marcus C. Caselles are calling their new pub. Bigger than the East Bremerton location and featuring an old pub-style tavern and striking private rooms, the Toad House Smokin' Pizza Pub in Port Orchard is sure to please all your senses. The Toad House will be serving handcrafted, truly outstanding casual fare and local Pacific Northwest craft brews in an enchanting Mediterranean environment, while using local, organic and sustainably produced provisions wherever possible.

As at their existing location, they'll offer savory brick oven pizza – each hand made to order and flame-cooked on a stone hearth, delicious and generous hot sandwiches, bountiful fresh salads and house dressings with great pub food for sharing. Planned for the Port Orchard location will be in-house, slowly smoked, tender meats, 21 local Pacific Northwest craft brews on tap, *and* a drive-thru window! Your evening commute will never smell the same...

If you would like to invest in this *smokin'* opportunity, please contact us at [meetme@thetoadhouse.com](mailto:meetme@thetoadhouse.com) or call me directly at (503) 744-0710
